A NOTE TO PARENTS

Your child now owns a toy by TOPPER...and you will soon discover how much pleasure it will provide because of its realism, imagination and quality construction.

In this booklet are shown other toys by TOPPER. They are especially created to satisfy children's interests and to give them long-lasting activity and joy. They are engineered with scientific precision in the world's largest and most modern toy factory. And they are built of the finest, most durable materials and rigidly tested for performance.

We invite you to compare the value we give in Topper Toys with any other toys on the market, and if you are satisfied with the quality, we hope you will look for the name, "TOPPER", whenever you are shopping for toys.

If you have any comments or suggestions regarding Topper Toys, please write to our Consumer Relations Department.
